

Notice to Customers of the Bay Area WTP

You are now able to view the Bay Area Water Treatment Plant annual water quality report on-line at www.baycodws.org/CCR2016.pdf . This report contains important information about the source and quality of your drinking water. The 2016 report includes water quality information from the Bay Area WTP. Please email BAWTP@baycodws.org or call **(989) 439-7245** if you would like a paper report delivered to your home.

Water Supply Systems now receiving water from the Bay Area WTP include the cities of Bay City, Essexville, and Pinconning; the Townships of Bangor, Beaver, Frankenlust (partial), Fraser, Hampton, Kawkawlin, Merritt, Monitor, Pinconning, Portsmouth, Williams, Akron, and Wisner; the Bangor-Monitor Metro., Kawkawlin Metro., and Beaver Road Water Districts; and Bay Co. Water Supply System #1.
