Also Present: T. Armintrout, Burnham & Flower

The purpose of the meeting was to discuss the medical plan options available to replace the current Blue Cross Blue Shield plan that will no longer be offered.

Tom Armintrout from Burnham & Flower presented the mapped plan Blue Cross would put our group in that is closest to our current coverage. This plan would result in a 27.01% premium reduction from the current plan.

The presented material also contained six Blue Cross/Blue Shield Community Blue, Simply Blue, and HMO plans as well as four HAP plans and four Priority Health plans.

Arnold asked if we could request quotes for McLaren Health insurance. Board members questioned if this would limit the provider choices available to employees. Armintrout stated he could get McLaren Health information for the board.

Brandt also stated he would like to request insurance quotes.

The meeting adjourned at 7:40 p.m.
