I certify that I am the owner, or authorized by the owner to make this application for the proposed work. All information submitted on this application is accurate to the best of my knowledge. I agree to follow the requirements of the laws, codes and ordinances of the Charter Township of Monitor. I understand an inspector is authorized to inspect the construction until work is completed and a final inspection sticker or certificate of occupancy is issued. I understand it is my responsibility to notify the inspector when the construction is ready for all inspections.

Section 23A of the State Construction Code Act of 1972, Act No. 230 of the Public Acts of 1972, being section 125.1523A of the Michigan Compiled laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23A are subject to civil fines.

HOMEOWNER AFFIDAVIT: I hereby certify the electrical work described on this permit shall <u>be installed by myself in my home</u> which I am living or about to occupy. All work shall be installed in accordance with the Electrical code and shall not be enclosed, covered up or put into operation until it has been inspected and approved by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections.

Mobile Home Park Site -

1. When setting a HUD mobile home in a park, a permit must include the application fee (ref. #2 above), service (ref. #4 above) and a feeder (ref. #15 above). This shall be done by a licensed electrical contractor.
2. When setting a HUD mobile home or a pre-manufactured home on private property, a permit must include the application fee (#2 above), service (#3 above) and feeder (#14 above).
3. When installing a site service in a park, the permit application must include the application fee (#2 above), service (#3 above), plus the number of park sites (#15 above).

General: Electrical work shall not be started until the application for permit has been filed. All installations shall be in conformance with the Electrical Code. **No work shall be concealed until it has been inspected.** When ready for an inspection, call the inspector providing as much notice as possible. The inspector will need the **job location** and **permit number**.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. **A PERMIT WILL BE CANCELED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CANCELED PERMITS CANNOT BE REFUNDED OR REINSTATED.**

This department will not discriminate against any individual or group because of race, sex, religion, age, national origin, color, marital status, handicap or political beliefs.
