

**CHARTER TOWNSHIP OF MONITOR
SEWER CONNECTION FEES
(ORDINANCE 56 – JANUARY 11, 2009)**

DIRECT CONNECTION	\$4,620.00
INDIRECT CONNECTION	2,310.00

DIRECT CONNECTION. Each user whose premises are connected to the public sanitary sewer shall pay a direct connection.

INDIRECT CONNECTION. The indirect connection fee for residential single family, duplex, site condominiums, condominiums and other similar structures connected directly which were installed at the expense of the owner, sub-divider or developer or by special assessment and not at the expense of the Township or County, shall be calculated as follows:

- one direct connection fee of \$4,620.00 for the first REU.
- each REU thereafter to be charged at the rate of \$2,310.00 per unit.

COMMERCIAL AND INDUSTRIAL – The indirect connection fee for those commercial and industrial uses shall be calculated as follows:

- one direct connection fee of \$4,620.00 for the first REU.
- each REU thereafter to be charged at the rate of \$2,310.00 per Unit.

(The Township engineer makes a recommendation on Commercial/Industrial)
